We are asking you to furnish any additional information about the parents and their son: where parents worked; where son worked; where they lived; sons' family if he was married; if he had siblings; where he went to School; church attended; civic organizations the parents and/or son were involved in.

The Genealogical & Historical Society would love to preserve this family history. We hope to write a book about all the Gold Star Parents and their sons who died for their country.

We are also asking you to send us a picture of the parents' headstone including the Gold Star Marker in the picture after it has been set.

We will be very appreciative of any donations for this project.

Thank you,

W.C.G.H.S.
